

Sara Khan

sara.sample@example.com | linkedin.com/in/sara-sample | github.com/sarasample

RESEARCH INTERESTS

Supply chain optimization, reinforcement learning, stochastic optimization

EDUCATION

MS in Industrial Engineering, Example State University, 2026

GPA: 3.86/4.0

BS in Mathematics, Sample Institute of Science, 2024

CGPA 3.52 / 4.0

TEST SCORES

IELTS Academic: 7.5 (Listening 8.0, Reading 7.5, Writing 6.5, Speaking 7.0)

GRE: Verbal 152, Quant 166, AW 3.5

SKILLS

Python, Gurobi, PyTorch, SQL

Discrete-event simulation

RELEVANT COURSEWORK

Nonlinear Programming, Stochastic Processes

PUBLICATIONS

Demand forecasting with gradient boosting for pharmacy inventory (under review)

AWARDS

Graduate Merit Scholarship, 2025
